

**BILATERAL ARTICULATION AGREEMENT  
BETWEEN  
NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY  
AND  
MITCHELL COMMUNITY COLLEGE**

**THIS ARTICULATION AGREEMENT** is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter "N.C. A&T ") and **MITCHELL COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter "MCC"). N.C. A&T and MCC hereby join in a collaborative effort to facilitate the transfer of students graduating from MCC into the Bachelor of Science in Agricultural Education (Secondary Education) at N.C. A&T and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of MCC with an Associate in Applied Science (AAS) in Agribusiness Technology with at least a cumulative grade point average (GPA) of 2.5 based on a 4.0 scale will be admitted to N.C. A&T provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, MCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at MCC as equivalent on a course-by-course basis. All MCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see pages 3*) with a grade of "C" or better earned.
3. **Faculty** - MCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status** - MCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at MCC and N.C. A&T shall encourage AAS Degree completion at MCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, MCC students must complete the AAS Degree. MCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, MCC students who transfer prior to completing all AAS Degree requirements must meet the N.C. A&T transfer admissions requirements.
6. **Promotion** - Parties at MCC and N.C. A&T shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
7. **Accreditation** - MCC and N.C. A&T will ensure that they maintain accreditation with the appropriate regional accrediting agency and ensure that all operations will be in keeping with accreditation requirements of the two institutions.

8. **Official Designees for Articulation Agreement Administration** - The following representatives will jointly administer this Articulation Agreement and will be responsible for the evaluation and assessment of this Articulation Agreement between N.C. A&T and MCC.

Dr. Joe B. Whitehead, Jr.  
Provost and Vice Chancellor for  
Academic Affairs  
North Carolina A&T State University  
1601 Market Street  
Greensboro, NC 27411  
336-334-7965  
jbwhiteh@ncat.edu

Dr. Camille N. Reese  
Vice President for Instruction  
Mitchell Community College  
500 West Broad Street  
Statesville, NC 28677-5644  
704-878-3264  
creese@mitchellcc.edu

9. **Agreement Review, Change, and Termination** - This Articulation Agreement shall be reviewed at least once every three years, by the designated officials at both institutions and is subject to change by mutual written consent. Either party may revoke this agreement by written notice to the other party, giving at least one year's notice of intent to discontinue the agreement. However, it is understood and agreed that any student admitted to N.C. A&T under this Articulation Agreement will be allowed to complete the program notwithstanding the termination provision above, so long as such student is in good standing and is making progress toward degree completion. This Articulation Agreement is effective beginning the fall semester 2016.
