In order to be considered for admissions in accordance with this Articulation Agreement, CCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at CCC as equivalent on a course-by-course basis. All CCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see pages 3*) with a grade of “C” or better earned.
3. **Faculty** - CCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
