<sup>1</sup> The study abroad option is contingent upon whether travel is feasible for the dance program each year. Dance minors will know as sophomores whether travel will be an option for them as juniors/seniors.

<sup>2</sup> This is not a course. It refers to travel planned for the dance program and/or junior/senior dance minors. The trip may take place during Spring Break or summer depending on circumstances.

\*If the 6-credit Directed Study Abroad Course is taken at Edna Manley College of Visual and Performing Arts in Kingston, JA, the total number of credits for the study abroad option will be **24 credits**.
