A LAND-GRANT UNIVERSITY *and* A CONSTITUENT INSTITUTION *of* THE UNIVERSITY *of* NORTH CAROLINA

May 13, 2023

Dear Class of 2023:

On behalf of the North Carolina Agricultural and Technical State University Board of Trustees, faculty, staff and students, congratulations on your graduation from our beloved institution. We are proud of you for reaching this significant milestone and applaud your academic achievements and success.

As chancellor and a proud alumnus of North Carolina A&T, it gives me great pleasure to commemorate this occasion with you. As you reflect on the experiences and accomplishments that have marked your A&T career, never forget the rich history and traditions of this wonderful university and the support of the faculty, family and friends who have been a source of inspiration to you during this chapter of your personal journey.

Your degree represents countless hours of study and a strong commitment to your passion. This accomplishment should fill you with not only immense pride, but also a deep sense of responsibility. You stand at the threshold of a new beginning: the rest of your life begins today. I challenge you to seize the opportunities that lie ahead and commit to make an impact on the world. Today, you join a powerful global community of Aggies that share a common vision to Lead, Create, Discover, Inspire, Dream and Love ... because that's what AGGIES DO!

We wish you all the best in the days and years ahead as you boldly move forward to improve the world around you and embark on a lifetime of learning and achievement. Remember that greatness should not be measured only by your personal success, but by the lives you enrich along the way.

Sincerely,

A handwritten signature in black ink, appearing to read "Harold L. Martin, Sr.".

Harold L. Martin, Sr.
Chancellor

THE BEGINNINGS OF THE BACHELOR'S DEGREE AT NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

By James R. Stewart Jr., Archives and Special Collections Librarian, F.D. Bluford Library

Commencement ceremonies predate the awarding of the bachelor's degree at North Carolina Agricultural and Technical State University, which was established in 1891 as the Agricultural and Mechanical College for the Colored Race. The earliest confirmed commencement program took place during the week of May 22-27, 1897. Before bachelor's degrees were awarded, the earliest agricultural students at the college completed a research thesis for a "diploma of graduation."

James B. Dudley had just completed his first year as the college's second president when the board of trustees gave authorization to the faculty to create curriculum for the bachelor's degree of science on May 28, 1897. The original courses offered for the bachelor's degree were "Agricultural" for a B.Agr. and "Mechanical" or the "Women's" courses for the B.S. (Bachelor of Science). Female students were not approved for enrollment in the Agricultural course.

Out of nearly 100 students enrolled beginning in Fall 1896, seven were eligible for graduation in 1899. Known collectively today as the "Superior Seven," they were William "Willie" Thomas Cain Cheek, Isaac Summerville Cunningham, Austin Wingate Curtis Sr., Epps Luther Faulkner, James Michael Joyner, Peter Edward Robinson and Adam Watson.

The first bachelor's degree commencement exercises concluded on the night of May 25, 1899, with choruses, vocal solos, orations, presentations of diplomas, prizes and a 90-minute literary address by Col. Julian S. Carr. Closing remarks were given by President Dudley.

The Women's course, along with the Domestic Science Department, were discontinued in 1901, but that did not stop Frances Grimes (Bryant) from earning her B.S. degree in 1901, followed by Hannah Bullock and Florence Garrett in 1902. Women were readmitted to the bachelor's degree study programs in 1928.

Since the first baccalaureate ceremonies were in 1899, each award year ending with a "3" is a fifth year [1899, 1900, 1901, 1902, 1903], and each year ending in an "8" is a 10th year [1904, 1905, 1906, 1907, 1908]. Therefore, in May 2023, we celebrate as North Carolina Agricultural and Technical State University awards nearly 1,500 bachelor's degrees for its 125th consecutive year. The university will also award more than 300 master's degrees (excludes Joint Programs in Social Work with UNC Greensboro) and almost 60 doctoral degrees.

PROGRAM

PRESIDING: Harold L. Martin Sr., *Chancellor*

PROCESSIONAL	“Pomp and Circumstance”	Travis Alexander, <i>Organist</i> Sir Edward Elgar
MACE BEARER		Scott Harrison <i>Chairman of the Faculty Senate</i> <i>Associate Professor, Department of Chemistry, College of Science and Technology</i>
RESPONSE	“Lift Every Voice and Sing”	University Choir James Weldon Johnson
GREETINGS FROM THE UNIVERSITY		Chancellor Martin
GREETINGS FROM THE UNIVERSITY OF NORTH CAROLINA		Joel Ford <i>Board of Governors</i>
GREETINGS FROM THE BOARD OF TRUSTEES		Hilda Pinnix-Ragland <i>Chair</i>
GREETINGS FROM THE SENIOR CLASS		Caiya Wiltshire <i>President</i>
INTRODUCTION OF SPEAKER		Chancellor Martin
COMMENCEMENT ADDRESS		Morris Chestnut <i>Actor, Producer, Businessman and Entrepreneur</i>
RECOGNITION OF HONOR GRADUATING STUDENTS		Tonya L. Smith-Jackson <i>Provost and Executive Vice Chancellor for Academic Affairs</i>
PRESENTATION OF CANDIDATES FOR DEGREES		Provost Smith-Jackson
BACCALAUREATE DEGREES		Academic Deans <i>College of Engineering</i> <i>John R. and Kathy R. Hairston College of Health and Human Sciences</i> <i>College of Science and Technology</i> Stephanie Luster-Teasley (Interim) Elimelda Onger Abdellah Ahmidouch
CONFERRING OF DEGREES		Chancellor Martin
THE ALMA MATER		University Choir <i>(Audience Stand)</i>
RECESSIONAL	“Crown Imperial Coronation March”	Travis Alexander William Walton

■ RESPONSE

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past
has taught us;
Sing a song full of the hope that the present
has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has
been watered;
We have come, treading our path thro' the blood
of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God,
where we met Thee;
Lest our hearts drunk with the wine of the world,
we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

■ ALMA MATER

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be,
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State
through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.

SPEAKER

MORRIS CHESTNUT

*Actor, Producer, Businessman
and Entrepreneur*

Morris Chestnut has enjoyed tremendous critical and commercial success as a film and television star for more than two decades. He is best known for his roles in films such as “Boyz in the Hood,” “The Brothers,” “The Perfect Holiday,” “Think Like a Man,” the commercially and critically acclaimed “The Best Man” and its successful sequel, “The Best Man Holiday.” The latter opened with \$17 million during its first weekend, the fifth-largest opening for an R-rated romantic comedy, the second-highest opening for an urban romantic comedy and the sixth-biggest opening for an urban-themed film overall. He received an NAACP Image Award nomination in the category of Outstanding Actor in a Motion Picture for his performance.

Chestnut reprised his role as Lance Sullivan in the Peacock limited series “The Best Man: The Final Chapters.” According to Variety, after premiering on Dec. 22, 2022, “The Best Man: The Final Chapters” marked Peacock’s biggest ever series debut and became Peacock’s first original project to make it onto Nielsen’s Top 10 streaming rankings in the No. 5 position. The role earned Chestnut a 2023 NAACP Image Award for Outstanding Actor in a Television Movie, Limited Series or Dramatic Special.

Before that, Chestnut starred on the FOX drama, “Our Kind of People,” as Raymond Dupont, a powerful and smooth businessman. It took place in the aspirational world of Oak Bluffs on Martha’s Vineyard, a historical stronghold where the rich and powerful Black elite have come to play for over 50 years.

He was also on the cast of the FOX drama, “The Resident,” as Dr. Barrett Cain, an intimidating neurosurgeon who believes himself to be a superman physician, capable of curing crippling diseases. Cain is charming when he wants to be, but utterly ruthless in his quest for money and power.

Chestnut also starred in the NBC drama “The Enemy Within” as FBI Agent Will Keaton, and in the Fox series “Rosewood,” a drama centered on a pathologist who teams up with the Miami police to help solve the city’s most challenging cases. For the latter, he

received his fourth NAACP Image Award nomination in the category of Outstanding Actor in a Drama Series.

Chestnut’s most recent films include Screen Gems’ “When the Bough Breaks”; Sony Pictures’ “The Perfect Guy;” opposite Robert De Niro in the heist thriller “Bus 657”; and opposite Halle Berry in TriStar Pictures’ “The Call,” which became a surprise critical and commercial success. He also starred in Universal Pictures’ summer action film “Kick-Ass 2” opposite Jim Carrey and Chloe Grace Moretz, and the studio’s tentpole summer comedy “Identity Thief” opposite Melissa McCarthy.

Among Chestnut’s television credits are roles on the TNT show “Legends” opposite Sean Bean, FX’s first season of “American Horror Story,” Amazon’s “Goliath” opposite Billy Bob Thornton and Showtime’s critically acclaimed series “Nurse Jackie,” which earned him the 2014 NAACP Image Award in the category of Outstanding Supporting Actor in a Comedy Series for his performance as Dr. Ike Prentiss.

HISTORY

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

Established in 1891, under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral research university. The Second Morrill Act expanded the nation's system of land-grant universities to include a historically black institution in those states where segregation denied minorities access to the land-grant institutions established by the First Morrill Act (1862).

Throughout its 132-year history, North Carolina A&T has maintained a rich tradition in academics, research and outreach. Today, the university is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research, and effective public service and engagement. A&T is accredited by the Southern Association of Colleges and Schools Commission on Colleges. An institution of choice for high-achieving students, A&T aspires to be recognized as a preeminent land-grant university.

With an enrollment of 13,487 students (Fall 2022), N.C. A&T is the nation's largest historically Black college or university (HBCU). A&T awards baccalaureate, master's and doctoral degrees through the College of Agriculture and Environmental Sciences; College of Arts, Humanities and Social Sciences; Willie A. Deese College of Business and Economics; College of Education; College of Engineering; John R. and Kathy R. Hairston College of Health and Human Sciences; College of Science and Technology; The Graduate College; and the Joint School of Nanoscience and Nanoengineering. The curriculum has been adapted to strengthen science, technology, engineering and mathematics (STEM)—its academic core and foundation—and other disciplines. The university also has moved rapidly to blend its academic and research programs with the needs of society and industry, forming a symbiotic relationship.

A&T has advanced to the forefront in the area of research and is one of the top-ranking institutions in the University of North Carolina System for sponsored research funding. The strength and potential of the research enterprise at A&T is demonstrated by the university's ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, and public health.

Upon graduating, students join the university's nearly 70,000 alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T's nationally acclaimed alumni include Henry E. Frye '53, former N.C. Supreme Court Chief Justice; Edolphus Towns Jr. '56, retired U.S. Congressman; Clara Adams-Ender '61, author and retired Army brigadier general; Alvin A. "Al" Attles Jr. '60, former NBA player, coach and general manager; Elvin Bethea '68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan '63, Joseph A. McNeil '63, the late Franklin E. McCain Sr. '63 and the late David Richmond '10 (degree awarded posthumously), members of the A&T Four/Greensboro Four; Joe L. Dudley Sr. '62, Dudley Products founder; Rev. Jesse L. Jackson Sr. '63, civil rights activist and former presidential candidate; Alma S. Adams '68, U.S. Congresswoman; Dr. Ronald E. McNair '71, NASA astronaut; and Michael S. Regan '98, U.S. EPA Administrator.

Twelve presidents/chancellors have served the institution since its founding: Dr. John O. Crosby (1892-1896), Dr. James B. Dudley (1896-1925), Dr. Ferdinand D. Bluford (1925-1955), Dr. Warmoth T. Gibbs (1956-1960), Dr. Samuel DeWitt Proctor (1960-1964), Dr. Lewis C. Dowdy (1964-1980), Dr. Cleon Thompson Jr. (interim, 1980-1981), Dr. Edward B. Fort (1981-1999), Dr. James C. Renick (1999-2006), Dr. Lloyd V. Hackley (interim, 2006-2007), Dr. Stanley Battle (2007-2009) and Dr. Harold L. Martin Sr. (2009-present).

COSTUME

THE ACADEMIC COSTUME

The academic costume worn today derived from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor length gowns with attached hoods a necessity for warmth. Probably because of the costumes' religious heritage, they remained largely drab until the universities gradually began to pass from the control of the church, whereupon some aspects of the costumes took on brighter hues. Old prints reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of the nation's strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all universities. Originally round, the shape of the cap is now the more familiar mortarboard square—a shape that resembles a scholar's book. Legend has it that the privilege of wearing a cap was the initial right of a freed Roman slave. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress, which might indicate rank or social strata. The hood not only indicates the type of degree, but also is lined with the official colors of the university from which the degree was obtained.

THE GOWN

BACHELOR – Blue, full cut with long pointed sleeves.

MASTER – Black, long or short sleeves with arc-shaped panel extended for each sleeve.

DOCTOR – Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

THE HOOD

BACHELOR – Three feet in length with a two-inch wide velvet.

MASTER – Three and one-half feet in length with a three-inch wide velvet.

DOCTOR – Four feet in length with a five-inch wide velvet and panel at the sides. The lining of the hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet is PhD Blue.

Candidates for doctoral degrees at North Carolina Agricultural and Technical State University wear gowns fastened at the neck and hoods draped down the back and the black mortarboard with a gold tassel.

UNDERGRADUATE HONOR STUDENTS

CUM LAUDE (With Honor)

Graduates with an overall grade point average of 3.25-3.49.
These graduates are wearing honor cords of gold.

MAGNA CUM LAUDE (With High Honor)

Graduates with an overall grade point average of 3.50-3.74.
These graduates are wearing honor cords of blue.

SUMMA CUM LAUDE (With Highest Honor)

Graduates with an overall grade point average of 3.75-4.00.
These graduates are wearing honor stoles.

UNITED STATES ARMED FORCES VETERANS

These graduates are wearing white stoles.

■ THE MACE

The mace, a ceremonial insignia, dates back to ancient Rome to honor heroes and nobility. Maces were later used in the courts of England, during the reign of James I of England as symbols of authority. Today, maces are associated with academic and governmental processions. In academic use, it is the symbol of the college/university as a body of scholars within its own legally constituted authority. The chief faculty marshal carries the mace during all formal academic processions.

A gift from the graduating class of 1961, the mace of North Carolina Agricultural and Technical State University was presented October 24, 1991, during the centennial year celebration. The university's 42-inch long mace reveals a two-faced sterling silver crowning head or boss with the seals of North Carolina Agricultural and Technical State University and the University of North Carolina on either side. Both university seals rest on a sterling silver etched State of North Carolina seal.

Alternating ebony and ivory solid wood rings that symbolize the university's African American heritage are located on the mahogany wood shaft. The history and mission of the college/university throughout its 100 plus years of existence are etched on the wooden shaft of the mace between the rings. They represent service to African Americans, the missions of the university's schools and colleges; scholars; the Greensboro Four sit-in; the Aggie mascot, and sports. The base or terminus (end piece) is a silver-plated cup engraved with a figure of a runner which symbolizes the athletic legacy and forward moving strides of the university.

North Carolina Agricultural and Technical State University's mace is a result of planning, research and fund raising by the class of 1961. The special designs of the mace represent the joint efforts of the Mace Committee who contacted Emblem & Badge Inc., in Providence, Rhode Island, to craft the mace. Dr. Vallie Guthrie, chair; Dr. Dorothy Alston; Dr. Sullivan Welborne; Dr. William C. Parker; Dr. Basil Coley; Dorothy J. Richmond; Lewis Brandon III; Earnest Sherrod, and members of the class of 1961; and the Class Coordinating Committee were instrumental in the procurement and final version of the mace, which was presented during the October 24, 1991, Founder's Day Convocation. The mace was carried by the Chief Faculty Marshal (chair or president of the Faculty Senate) at the May 5, 1991, commencement and is utilized at all formal ceremonial occasions for the university.

BACCALAUREATE HONORS

* Students awarded two baccalaureate degrees

PLEASE NOTE: The listing of names of degree candidates in the commencement program is not to be considered official evidence that all degree requirements have been satisfied.

COMMISSIONS

CANDIDATES COMMISSIONED AS SECOND LIETUENANTS IN THE UNITED STATES ARMY

Ashleigh A Bracey, *Biological Engineering*
Darnel Brooks, *Mechanical Engineering*
Tre P Chapman-Shiflett, *Business Management*
Tyler A Cross, *Journalism and Mass Communication*
Jordan C Flemming, *Bioengineering*
Ramiro Galvan, *Construction Management*
Xavier L Henderson, *Psychology*
Jordan A Killian, *Mechanical Engineering*
Micah R Langhorne, *Finance*
Karl McCloud III, *Civil Engineering*
Aiyanna M McKnight, *Biology*
Imani D Miser-Bluitt, *Psychology*
Jasmine C Parrish, *Computer Science*
Marcia L Richardson, *Psychology*
Kai D Samuel, *Mechanical Engineering*
Kaylon M Shankle, *Psychology*

CANDIDATES COMMISSIONED AS SECOND LIEUTENANTS IN THE UNITED STATES AIR FORCE

Nasir Smith, *Psychology*

**NEVER EVER
UNDERESTIMATE
AN AGGIE.**

BACCALAUREATE CANDIDATES

* Students awarded two baccalaureate degrees

** Students who are wearing faculty-mentored undergraduate research cords

PLEASE NOTE: The listing of names of degree candidates in the commencement program is not to be considered official evidence that all degree requirements have been satisfied.

COLLEGE OF ENGINEERING

BACHELOR OF SCIENCE IN ARCHITECTURAL ENGINEERING

Jocelyn A Dobson
Tiana Moena Driver
Diamond Deshaun Durham
Solomon Russell Edwards
John Ryan Faison Jr
Khaliya Shabre Green
Daija Monique Jackson
Artez Alexander Jones
Vince James McGhee
Ayatana Mahogany Osinowo
Kara Elyse Rogers
Joseph Archibald Shepherd
Ryan Choereas Williams

BACHELOR OF SCIENCE IN BIOENGINEERING

Cody Joseph Badeaux

INDUCTION OF GRADUATES

**INDUCTION OF GRADUATES INTO
THE NORTH CAROLINA AGRICULTURAL
AND TECHNICAL STATE UNIVERSITY
ALUMNI ASSOCIATION, INC.**

I hereby solemnly pledge allegiance to my Alma Mater in appreciation for the opportunities for development afforded me as a student at North Carolina Agricultural and Technical State University.

I pledge active membership in the North Carolina Agricultural and Technical State University Alumni Association wherever I may be. Through association with fellow alumni, I shall forever do my best to uphold the ideals and traditions of my Alma Mater.

I pledge to exemplify high ideals by rendering positive and dignified service to the community, state, nation and world, thus living to bring honor and respect to my Alma Mater.

OFFICIALS

CABINET

Dr. Harold L. Martin Sr., *Chancellor*
Dr. Tonya L. Smith-Jackson, *Provost and Executive Vice Chancellor for Academic Affairs*
Erin Hill Hart, *Chief of Staff*
Robert Pompey Jr., *Vice Chancellor for Business and Finance*
Dr. Veronica Sills, *Associate Vice Chancellor for Human Resources/CHRO*
Dr. Eric Muth, *Vice Chancellor for Research and Economic Development*
Dr. Melody C. Pierce, *Vice Chancellor for Student Affairs*
Kenneth E. Sigmon Jr., *Vice Chancellor for University Advancement*
Henry Thomas Jackson, *Vice Chancellor for Information Technology Services / CIO*
Melissa Holloway, *Vice Chancellor for Legal Affairs, Risk and Compliance/General Counsel*
Earl M. Hilton III, *Director of Athletics*
Timothy Minor, *Interim Vice Chancellor for Strategic Partnerships*

COMMENCEMENT COMMITTEE
