 - THREE of the following: PSYC 221, PSYC 225, PSYC 331, PSYC 227 (9 hours; course descriptions below)
 - Any two additional Psychology electives (6 hours) from the electives listed on the curriculum guide.
- Students completing the Psychology minor must earn a grade of "C" or better in all courses for the minor.
- Students must complete a minimum of 24 academic credits before declaring minor.
- All other requirements under the Minor Field of Undergraduate Study Policy apply.

Minor Field of Undergraduate Policy- The purpose of this policy is to establish minor fields of study at North Carolina A&T State University. The policy states that a minor may be offered only in a field for which there is a corresponding major or authorized undergraduate certificate program; an academic minor shall consist of at least 18 credits in an area apart from the major concentration of the students baccalaureate degree program; a minimum of 12 of the 18 minor credits must be in courses at the 200 level or above; a student must complete at least 24 hours of academic credits before declaring a minor and must have a minimum GPA of 2.0; and a student may have not more than two minors regardless of the student's major. The Faculty Senate Curriculum Committee must approve all minors. This policy is consistent with other institutions in the UNC System. The minor will be printed on the transcript and not the diploma.
