

COMMENCEMENT

Undergraduate Ceremony

SATURDAY, DECEMBER 14, 2024 | 9 A.M.

December 14, 2024

Dear Graduate,

On behalf of the Board of Trustees, faculty, staff, and students of North Carolina Agricultural and Technical State University, I am honored to congratulate you on reaching this significant milestone — your graduation. We are immensely proud of your hard work, perseverance and dedication that have brought you to this momentous achievement.

Earning your undergraduate degree is not only a reflection of the knowledge and skills you have acquired, but also a powerful symbol of your resilience, determination, and commitment to your future. It represents the countless hours of effort, sacrifice and growth that you have invested, as well as the courage to embrace challenges and pursue excellence. Today, you stand as an example of what it means to persevere and succeed.

This achievement is a stepping stone to an even greater future. As you move into the next chapter of your life, whether pursuing further education, entering your profession or exploring new opportunities, know that you are well-prepared. The values and experiences you've gained at A&T have shaped you into a leader, and the world now awaits the contributions only you can make.

At North Carolina A&T, we speak proudly of the phrase *Aggies Do*. It's more than a motto — it's a way of life. *Aggies Do* means that we tackle challenges head-on, make an impact in our communities, and strive to create a brighter future. You now carry that legacy with you. Whatever you choose to do next, do it with the same boldness, grit, determination and excellence that have defined your time at A&T.

As you embark on your next journey, we extend our best wishes for your continued success. Whether you're starting a new career, pursuing advanced studies, or exploring new passions, we are confident that you will continue to represent the spirit of this great university.

Congratulations once again on this outstanding achievement. We look forward to seeing how you will continue to make us proud in the years to come.

Sincerely,

James R. Martin II
Chancellor

PROGRAM

PRESIDING: James R. Martin II, Chancellor

| | |
|-----------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| PROCESSIONAL | “Pomp and Circumstance” Sir Edward Elgar |
| MACE BEARER | Scott Harrison Chairman of the Faculty Senate |
| RESPONSE | “Lift Every Voice and Sing” James Weldon Johnson North Carolina A&T Fellowship Gospel Choir |
| GREETINGS FROM THE UNIVERSITY | Chancellor Martin |
| GREETINGS FROM THE BOARD OF TRUSTEES | Kimberly B. Gatling Chair |
| GREETINGS FROM THE SENIOR CLASS | Micah Downs President |
| INTRODUCTION OF SPEAKER | Chancellor Martin |
| COMMENCEMENT ADDRESS | Marques McCammon President, Karma Automotive |
| RECOGNITION OF STUDENTS GRADUATING WITH HONORS | Tonya L. Smith-Jackson Provost and Executive Vice Chancellor for Academic Affairs |
| PRESENTATION OF CANDIDATES FOR DEGREES | Provost Smith-Jackson |
| BACCALAUREATE DEGREES | Academic Deans |
| <i>College of Agriculture and Environmental Sciences</i> | Shirley Hymon-Parker (Interim) |
| <i>College of Arts, Humanities and Social Sciences</i> | Sheila Whitley (Interim) |
| <i>Willie A. Deese College of Business and Economics</i> | Joseph Huscroft Jr. (Interim) |
| <i>College of Education</i> | Paula Groves Price |
| <i>College of Engineering</i> | Stephanie Luster-Teasley Pass |
| <i>John R. and Kathy R. Hairston</i> | Elimelda Onger |
| <i>College of Health and Human Sciences</i> | |
| <i>College of Science and Technology</i> | Abdellah Ahmidouch |
| CONFERRING OF DEGREES | Chancellor Martin |
| THE ALMA MATER | N.C. A&T Fellowship Gospel Choir (Audience Standing) |
| RECESSIONAL | “Crown Imperial Coronation March” William Walton |

RESPONSE

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past
 has taught us;
Sing a song full of the hope that the present
 has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has
 been watered;
We have come, treading our path thro' the
 blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God,
 where we met Thee;
Lest our hearts drunk with the wine of the world,
 we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

ALMA MATER

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be,
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed —
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State
 through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.

SPEAKER

MARQUES B. MCCAMMON

President, Karma Automotive

Marques B. McCammon is the president of Karma Automotive in Irvine, California, the state's only ultra-luxury automaker. He graduated in 1998 from North Carolina Agricultural and Technical State University with a B.S. in mechanical engineering and earned an M.S. in mechanical engineering from the University of Michigan.

Since taking the helm at Karma in 2023, McCammon has focused on reinvigorating the brand and implementing alternate paths to revenue. His career spans nearly three decades of auto industry general management, product development, manufacturing, brand leadership and marketing experience with expansive knowledge of software-based automotive product advancement.

McCammon has served in numerous leadership and management positions domestically and internationally for premier automotive companies and partners such as Ricardo, where he was global managing director and North America president; Wind River, where he was vice president, global automotive, general manager and senior director, auto products; and Aptera Motors where he was chief marketing officer.

At Ricardo, an international environmental, engineering and transportation company, McCammon led a global team focused on sustainable mobility solutions that balance short-term internal combustion needs with long-term electrification and autonomy requirements.

At Intel subsidiary Wind River, McCammon was responsible for automotive software products. He oversaw development of the division's corporate business plans, led business and strategy development for auto-related merger and acquisition activity and directed a global team, including product and program management, engineering and marketing architecture.

McCammon also put his engineering prowess to use in creating the Dodge

SRT-4 (Street and Racing Technology-4 cylinder); crafting the blueprint for Chrysler's SRT moniker and designing the first modern four-door convertible.

A rising star in his industry, McCammon was named one of 40 young executives making an impact in the Motor City by Crain's Detroit Business magazine. He also serves on the board of ConnectED: The National Center for College and Career.

McCammon lives in San Diego with his family.

HISTORY

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

Established in 1891, under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral, high research activity university. The Second Morrill Act expanded the nation's system of land-grant universities to include a historically Black institution in those states where segregation denied minorities access to the land-grant institutions established by the First Morrill Act (1862).

Throughout its 133-year history, North Carolina A&T has maintained a rich tradition in academics, research and outreach. Today, the university is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research and effective public service and engagement. A&T is accredited by the Southern Association of Colleges and Schools Commission on Colleges. An institution of choice for high-achieving students, A&T is a preeminent land-grant university now rapidly evolving as an exponential institution.

With an enrollment of 14,311 students, N.C. A&T is the nation's largest historically Black college or university (HBCU) for the 11th consecutive year. A&T awards baccalaureate, master's and doctoral degrees through the College of Agriculture and Environmental Sciences; the College of Arts, Humanities and Social Sciences; the Willie A. Deese College of Business and Economics; the College of Education; the College of Engineering; the John R. and Kathy R. Hairston College of Health and Human Sciences; the College of Science and Technology; The Graduate College; and the Joint School of Nanoscience and Nanoengineering. The university is widely recognized for strengths in science, technology, engineering and mathematics, as well as the liberal arts and humanities and a growing array of professional programs. The university also has moved rapidly to blend its academic and research programs with the needs of society and industry, forming a symbiotic relationship.

A&T has advanced to the forefront in the area of research and is one of the top-ranking institutions in the University of North Carolina System for sponsored research funding, having secured \$250 million in contracts and grants over the past two fiscal years. The strength and potential of the research enterprise at A&T is demonstrated by the university's ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, education and public health.

Upon graduating, students join the university's 70,000 alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T's nationally acclaimed alumni include Henry E. Frye '53, former N.C. Supreme Court Chief Justice; U.S. Representatives Alma S. Adams and Jonathan Jackson; Clara Adams-Ender '61, author and retired Army brigadier general; the late Alvin A. "Al" Attles Jr. '60, former NBA player, coach and general manager; Elvin Bethea '68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan '63, Joseph A. McNeil '63, the late Franklin E. McCain Sr. '63 and the late David Richmond '10 (degree awarded posthumously), members of the A&T Four Four; Joe L. Dudley Sr. '62, Dudley Products founder; Rev. Jesse L. Jackson Sr. '63, civil rights activist and former presidential candidate; the late Dr. Ronald E. McNair '71, NASA astronaut; and Michael S. Regan '98, U.S. EPA Administrator.

Thirteen presidents/chancellors have served the institution since its founding: Dr. John O. Crosby 1892-1896), Dr. James B. Dudley (1896-1925), Dr. Ferdinand D. Bluford (1925-1955), Dr. Warmoth T. Gibbs (1956-1960), Dr. Samuel DeWitt Proctor (1960-1964), Dr. Lewis C. Dowdy (1964-1980), Dr. Cleon Thompson Jr. (interim, 1980-1981), Dr. Edward B. Fort (1981-1999), Dr. James C. Renick (1999-2006), Dr. Lloyd V. Hackley (interim, 2006-2007), Dr. Stanley Battle (2007-2009), Dr. Harold L. Martin Sr. (2009-2024) and Dr. James R. Martin II (current).

COSTUME

THE ACADEMIC COSTUME

The academic costume worn today derived from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics as well, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings made caps and floor length gowns with attached hoods a necessity for warmth. Probably because of the costumes' religious heritage, they remained largely drab until the universities gradually began to pass from the control of the church, whereupon some aspects of the costumes took on brighter hues. Old prints reveal a strong similarity between the regalia worn in early universities and the academic costume worn today.

In light of the nation's strong English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity with regard to the practice, an intercollegiate commission was formed which prepared a code for caps, gowns, and hoods which has been adopted by all universities. Originally round, the shape of the cap is now the more familiar mortarboard square - a shape that resembles a scholar's book. Legend has it that the privilege of wearing a cap was the initial right of a freed Roman slave. The flowing gown has become symbolic of the democracy of scholarship for it covers any dress, which might indicate rank or social strata. The hood not only indicates the type of degree, but also is lined with the official colors of the university from which the degree was obtained.

THE GOWN

BACHELOR - Blue, full cut with long pointed sleeves.

MASTER - Black, long or short sleeves with arc-shaped panel extended for each sleeve.

DOCTOR - Black, with velvet panels on front of gown and three velvet bars on each sleeve. Color of the velvet may be black or distinctive of the field of study.

THE HOOD

BACHELOR - Three feet in length with a two-inch wide velvet.

MASTER - Three and one-half feet in length with a three-inch wide velvet.

DOCTOR - Four feet in length with a five-inch wide velvet and panel at the sides. The lining of the hoods, which is folded out, bears the official colors of the institution from which the degree was received. The color of the velvet is Ph.D. blue.

Candidates for doctoral degrees at North Carolina Agricultural and Technical State University wear gowns fastened at the neck and hoods draped down the back and the black mortarboard with a gold tassel.

UNDERGRADUATE HONOR STUDENTS

CUM LAUDE (With Honor)

Graduates with an overall grade point average of 3.25-3.49.
These graduates are wearing honor cords of gold.

MAGNA CUM LAUDE (With High Honor)

Graduates with an overall grade point average of 3.50-3.74.
These graduates are wearing honor cords of blue.

SUMMA CUM LAUDE (With Highest Honor)

Graduates with an overall grade point average of 3.75-4.00.
These graduates are wearing honor stoles.

UNITED STATES ARMED FORCES VETERANS

These graduates are wearing white stoles.

MACE

The mace, a ceremonial insignia, dates back to ancient Rome to honor heroes and nobility. Maces were later used in the courts of England, during the reign of James I of England as symbols of authority. Today, maces are associated with academic and governmental processions. In academic use, it is the symbol of the college/university as a body of scholars within its own legally constituted authority. The chief faculty marshal carries the mace during all formal academic processions.

A gift from the graduating class of 1961, the mace of North Carolina Agricultural and Technical State University was presented October 24, 1991, during the centennial year celebration. The university's 42-inch long mace reveals a two-faced sterling silver crowning head or boss with the seals of North Carolina Agricultural and Technical State University and the University of North Carolina on either side. Both university seals rest on a sterling silver etched State of North Carolina seal.

Alternating ebony and ivory solid wood rings that symbolize the university's African American heritage are located on the mahogany wood shaft. The history and mission of the college/university throughout its 100 plus years of existence are etched on the wooden shaft of the mace between the rings. They represent service to African Americans, the missions of the university's schools and colleges; scholars; the Greensboro Four sit-in; the Aggie mascot, and sports. The base or terminus (end piece) is a silver-plated cup engraved with a figure of a runner which symbolizes the athletic legacy and forward moving strides of the university.

North Carolina Agricultural and Technical State University's mace is a result of planning, research and fund raising by the class of 1961. The special designs of the mace represent the joint efforts of the Mace Committee who contacted Emblem & Badge Inc., in Providence, Rhode Island, to craft the mace. Dr. Vallie Guthrie, chair; Dr. Dorothy Alston; Dr. Sullivan Welborne; Dr. William C. Parker; Dr. Basil Coley; Dorothy J. Richmond; Lewis Brandon III; Earnest Sherrod, and members of the class of 1961; and the Class Coordinating Committee were instrumental in the procurement and final version of the mace, which was presented during the October 24, 1991, Founder's Day Convocation. The mace was carried by the Chief Faculty Marshal (chair or president of the Faculty Senate) at the May 5, 1991, commencement and is utilized at all formal ceremonial occasions for the university.

BACCALAUREATE HONORS

* Students awarded two baccalaureate degrees

PLEASE NOTE: The listing of names of degree candidates in the commencement program is not to be considered official evidence that all degree requirements have been satisfied.

NORTH CAROLINA A&T ALUMNI OATH

I hereby solemnly pledge allegiance to my alma mater in appreciation for the opportunities for development afforded me as a student at North Carolina Agricultural and Technical State University.

I pledge active membership in the North Carolina Agricultural and Technical State University Alumni Association wherever I may be. Through association with fellow alumni, I shall forever do my best to uphold the ideals and traditions of my alma mater.

I pledge to exemplify high ideals by rendering positive and dignified service to the community, state, nation and world, thus living to bring honor and respect to my alma mater.

ANNOUNCER

Joseph Level

North Carolina Agricultural and Technical State University is an AA/EEO employer, and it is an ADA compliant institution; thus, facilities are designed to provide accessibility to individuals with physical disabilities.

North Carolina A&T State University does not discriminate on the basis of age (40 or older), color, disability, sex, pregnancy, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, National Guard or any other basis protected by law.

N.C. A&T is an AA/EEO and ADA compliant institution.

8,000 copies of this public document were designed and printed at a cost of \$8,159, or \$1.01 per copy.
